Friday 6th November 2015

Welcome back to the second half of the Autumn term. I hope that you had a lovely half term break.

Dinners

Week beginning 9th November – Week 2

Week beginning 16th November – Week 3

Recommended Books

Nursery and Reception	'The Crocodile Under the Bed' by Judith Kerr
Years 1 and 2	'Dogger' by Shirley Hughes
Years 3 and 4	'Window' by Jeanie Baker
Years 5 and 6	'Why?' by Nikolai Popov

School Uniform

It has been wonderful to see all the children returning after the half term holiday looking so smart. Thank you for supporting our school uniform policy. A gentle reminder for those children still wearing polo shirts, that everyone should now be wearing winter uniform which is a shirt and tie or blouse for girls.

Parent Consultation Evenings

Thank you to everyone for their positive comments regarding school. It is lovely to hear that you can see that your child is making progress and that they are happy to come to school.

Family Toolkit Meetings

You should have received a letter regarding the family toolkit meetings that will be taking place this half term. Please remember to book a place by contacting Allsorts Children's Centre or the school.

ESafety Meeting

The parent information evening regarding e safety has had to be postponed. We intend to run it early in January.

Book Fair

A huge thank you to Mrs Robbins who helped run the Book Fair on Tuesday during parent consultation evenings. I so enjoy listening to the children taking about all the books on display and which one they want to read. I was talking to some Year 6 girls on Tuesday and set them a challenge to read two

particular books. Girls – I will come and find you and see how you are getting on!! I promise you will love reading these books.

Cinema Nights

The Parent Association have had to cancel and rearrange the cinema nights. New dates will be set shortly.

Maths Open Morning

Our next maths open morning is on Friday 20th November from 9:00am to 10:30am. This morning is now fully booked and so I will arrange more for next term. Again, thank you so much for your positive comments about how we are teaching maths. I know lots of you have found it very interesting and informative.
