

### Pupil Premium 2014-2015

Pupil Premium is extra funding given to schools to raise the attainment of disadvantaged pupils from Reception to Year 11. It is aimed at addressing the current underlying inequalities which exist between children from disadvantaged backgrounds and their more affluent peers. It also provides funding for children adopted from care under the Adoption and Children Act 2—2 and children that have left care under a Special Guardian ship or Residence Order. Pupil Premium funding also supports children and young people with parents in the armed forces.

This year we will receive £28,600 in funding.
